

## It's A Fine Life

Small pleasures, small pleasures  
Who would deny us these? (Not me)  
Gin toddies, large measuress  
No skimpin' if you please  
I rough it  
I love it  
Life is a game of chance  
I never tire of it  
Leading this merry dance  
If you don't mind having to go without things  
It's a fine life (fine life)  
Tho' it ain't all jolly old pleasure outings  
It's a fine life (fine life)
