*Please Perform the dialogue below as a monologue*

Hush, Mr B, you've had quite a turn and I fancy you might enjoy a little drop of something special. I'm obliged to keep a little of it in the house to put into the blessed infant's medicine when they ain't well and I'll not deceive you Mr B, it's gin. I keep a cat, and kittens too. I'm so fond of them you can't imagine Mr Bumble. They are so happy, so cheerful, so ..frolicsome.
