

## FAGIN

**Character Age: 50 - 60s**

**Vocal Range: Baritone**

**Fagin is the eccentric old thief who runs a gang of pickpockets in the backstreets of London.**

**Heavily egotistical, his desires to be rich and loved by all are fulfilled by his crew. He manipulates, lies and steals so he can survive, yet is his blackened heart beyond redemption? He does not consider himself evil, yet his actions always come as a result of pure selfishness and a desire to save his own skin. The character exploration into the portrayal of this famous and fun to play figure will be exciting to delve into throughout the process.**
